.WBJECT: March of Dimes

The National Foundation for Infantile Parties have quested that all members of the Armed Forces and Federal ployees be advised that the March of Dimes. Tor postey a said is not participating in the approved policy and program for fund-raising in the Federal establishment. The Knunday colicy requires it to decline or to return any contribusions collected under the Federal grogram. Therefore, the Maroline limes should not be listed among the agencies participating in the Federal plan. In this connection, it should also be noted that the listing of "causes" such as "Polio" is premier by the Federal plan. 

The fact that up to this time the March of Dimes has desided not to avail itself of the opportunity to participate in the world-wide Federal fund-raising program should in sec. way deter Federal employees and members of the Armed Forces from making their contributions for carrying out the Foundation's worthy objectives through methods of solicitation outside of Federal establishments. 

In order to avoid any confusion or misunderstanding concerning the March of Dimes, the foregoing should be immediately called to the attention of all Federal employees and members of the Armed Forces.
